

FOREWORD

This service manual has been prepared to provide information covering general service repairs for the model M4 series (M401, M402 and M412) manufactured in October, 2006 onward. For the service specifications and repair procedures of the model M4 series (M401, M402 and M412) other than those listed in this manual, refer to the following manuals.

All information used in this service manual was in effect at time when the manual was printed. However, the specifications and procedures may be revised owing to continuing improvements in design without advance notice and without incurring any obligation to us.

Published in October, 2006
