

2007 **MITSUBISHI OUTLANDER TECHNICAL INFORMATION MANUAL**

FOREWORD

This manual has been prepared as an introduction to the specifications, features, construction, functions, and other areas of the new 2007 OUTLANDER.

It includes Technical Information and Body Repair Service. The Body Repair sections immediately follow Group 55 - Heater, Air Conditioning and Ventilation.

Please read this manual carefully so that it will be of assistance for your service and sales activities. Please note the following service manuals are also available and should be used in conjunction with this manual.
